20 Sep: Baby Sign Language: 1000-1100: Building 5700, Room 371F: Babies are happiest when they can communicate with the people who love them the most - their families. Did you know that babies can actually understand spoke language before they are able to physically speak? Signing is a tool that can be the key into your baby's thought and the springboard for future language development. The New Parent Support Program and Parent to Parent are inviting all Active Duty, Retired, DoD Employees and their Family Members to a parent and child interactive Baby Sign Language Class. This class teaches expectant parents and those with young children how to communicate with their child and avoid frustrations associated with language development. Pre-registration is required by the Friday before class starts each month. Limited to the first 10 registrants each session. EFMP friendly. Open to authorized patrons. For registration, childcare and more information call ACS New Parent Support Program at (334)2559647/3359/9805
