Aquarians Dive Club members may not stay in the pool after their three (3) hours has expired. Aquarians Dive Club members must promptly evacuate the facility, no later than approximately ten (10) minutes after the reservation end time. The Fort Rucker DFMWR Aquatics Department will provide a lifeguard for facility oversight and safety. Aquarians Dive Club members must obey the PFC staff and lifeguard(s) instructions and directions at all times while utilizing the Fort Rucker Aquatics facilities. During inclement weather, if lifeguard(s) stay at least one (1) hour at the request of Aquarians Dive Club, the session is to be considered having taken place. Aquarians Dive Club must pay for any additional sessions required to complete their course at the rate of \$50.00, per three (3) hour session. There is NO reduction in cost due to inclement weather and facility closure. All coordination of reservation dates and time will be made in advance via e-mail to the Fort Rucker DFMWR Aquatics Manager, Assistant Aquatics Manager, or Sports, Fitness and Aquatics Manager.
