

Support the Fort Rucker Wounded Warrior program by Sponsoring this year's hunts.

# Fort Rucker Wounded Warrior Hunts 2017

Proceeds from this year's hunt will be used to enhance the quality of life for our local Wounded Warriors on Fort Rucker. Family and MWR provides recreational opportunities so Wounded Warriors can get back out in the great outdoors, to see families enjoying the lake, and Soldiers hunting and fishing without limitations due to the lack of equipment for their needs. Monies raised from the previous years' hunts has provided funding to purchase a mobile tracked wheelchair, hydraulic hunting stands, customized boat and many other items that Outdoor Recreation makes readily available for Wounded Warriors' recreational needs.

Sponsorship funds raised stay on Fort Rucker to benefit and support vital MWR programs and events.
