### **AFAP (Army Family Action Plan):**

The Army Family Action is the best way to let Army leadership know about what works, what doesn't and how you think problems can be resolved. Throughout the month of August, you can submit issues at the Fort Rucker Army Community Service office located in Bldg. 5700, Rm. 350.

There are AFAP submission boxes also located at the commissary, post exchange, child and youth services and community recreation division that provide a template form that people can use to submit their issue and possible resolution.

You can find the template by clicking on

Army OneSource (<https://www.myarmyonesource.com>) also facilitates AFAP issues online and makes sure your concerns get the attention they deserve. The information you submit gives Army leadership insight and helps foster a satisfied, informed, and resilient Army community
