RENEW YOUR MILITARY ID CARD ONLINE

ELIGIBILITY REQUIREMENTS

To be eligible for online USID renewal, you must meet all of the following conditions:

- **Card Type:** This process is only for USID renewals. CACs cannot be renewed online.
- **Card Status:** Your USID card must not be expired. This service cannot be used for an initial ID card or if you need to provide documentation for a DEERS status or eligibility update.
- **Contact Information:** Both the sponsor and the card recipient must have up-to-date mailing and email addresses in DEERS.
- **Sponsor Status:** The sponsor's personnel status and benefits must extend at least 30 days beyond the request date.
- **Recipient Eligibility:** The recipient must be eligible for a USID card with benefits that extend for more than 30 days into the future.
- **Photo:** The card recipient needs to have a photo in DEERS that was taken within the last 12 years.

HOW IT WORKS

- Sponsor logs in using a Myauth account or CAC.
- Go to Family ID Cards → select recipient → click Renew Family Member ID Card.
- Double-check and verify both sponsor and recipient mailing and email details.
- Follow prompts and input the specific reason for the renewal request.
- DMDC prints and ships the card via US Mail. Email tracking is sent to the sponsor.
- Sponsor logs back into IDCO to activate the new USID. Once accepted, the old card will be terminated.
- Shred or cut the replaced card into small, unrecognizable pieces immediately.

IMPORTANT:

Once an online renewal is submitted, do **NOT** report to the Fort Rucker DEERS Office for another card while the request is processing. RAPIDS offices cannot activate USID cards requested online; the sponsor must complete activation through IDCO.

ADDITIONAL USID UPDATES

- Sponsor Rank/Grade will no longer appear on the dependent ID cards.
- Dependent USID cards may be issued for up to 8 years when eligibility supports the extended expiration

DEERS / ID CARD Information

FULL-TIME STUDENTS AGES 21-22

- Full-time student status may extend eligibility beyond age 21.
- Letter from the School Registrar office must verify **full-time enrollment** status including **anticipated graduation date.**
- Sponsor must certify providing **more than 50%** of the student's support
- The ID card's expiration date is based on eligibility and the provided student documentation.

TRICARE YOUNG ADULT (TYA)

- Enrollment is completed directly thru **TRICARE.**
- It provides premium-based coverage for eligible unmarried adult children.
- Generally available from age **21 through age 25** (under age 26).
- The individual must remain properly registered in DEERS.
- TYA enrollment does not automatically qualify a member for online USID renewal.

TURNING 65 YEARS OLD

- It Must enroll in Medicare **Part A & B** to keep TRICARE benefits.
- TRICARE coverage becomes **TRICARE For Life (TFL).**
- **After turning 65** and showing a Medicare card, a new USID with an indefinite **(INDEF)** expiration is issued.
- Spouses **must** be 65 years old and enrolled in Medicare to receive their own INDEF card.

MILPER MESSAGE 26-280

- Soldiers must have **two** unexpired identity documents scanned into DEERS. One **Primary** and one **Secondary** identity document.
- Documents may be physically provided to an ID Card Facility.
- DMDC has clarified that CACs will not be terminated at this time

Serving The Children of Those Who Serve Us All

Who Are We?

MCEC is a 501 (c)(3) nonprofit organization that solely exists to help the military-connected child thrive in the face of transition and separation.

Our Mission

MCEC supports all military-connected children by educating, advocating, and collaborating to resolve education challenges associated with the military lifestyle.

Our Vision

Every military-connected child is college-, work-, and life-ready.

Our Community

MCEC is a professional coalition with a diverse community consisting of public school districts, private schools, colleges, universities, small businesses and corporations, nonprofit organizations, military commands and installations, military families, and caring individuals from local communities across our Nation.

Our Work

The Military Child Education Coalition® (MCEC®) delivers programs, services, and professional development to meet the needs of military-connected students, parents, and professionals.

Our Programs

MCEC® Student Achievement

MCEC believes that enabling students to thrive and succeed in our education system by providing them the tools necessary to become college-, work-, and life-ready, is of the highest importance. *Student 2 Student*® programs at the elementary, middle, and high school levels bring military and civilian children together to welcome new students, support academic excellence, and ease transitions as students pass in or out of schools.

MCEC® Parent Support

MCEC empowers parents to become informed, proactive supporters, allowing them to make a positive impact in the needs of their children. *Parent to Parent*™ provides informative and interactive parent workshops to groups and organizations in the local community that address academic, social, and emotional issues associated with a military family lifestyle.

MCEC® Professional Services

MCEC values the importance of professionals possessing the knowledge necessary to identify and respond to complex needs of military-connected children. Across disciplines, such as education, healthcare, childcare, and business, MCEC trains professionals to address the unique challenges facing our military-connected children. All training is grounded in research and presented by highly skilled instructors.
